Brisk Rally Gains Pace At New York

NEW YORK (UPI)—Stocks scored their sharpest gain in more than two weeks with the tickers running late at the close.

The drugs, electronics, steels, motors, airlines, nonferrous metals, aircrafts, tires and numerous specialists all stood out on the upside. Oils and utilities were mixed.

The market finished around its best levels of the day with individual gains running to around 8 in Vick. Individual gains of 2, 3 and 4 points dotted the main list.

The advance marked only the second time in the past 10 sessions that gains outnumbered losses.

U.S. Stock Slumps

TORONTO (CP) — Industrials and western oils inched higher as the stock market was narrowly ahead in active trading.

New Kelore was the most active, up two cents at 25 cents on a turnover of 1,120,005 shares.

General Development for the second straight day featured the industrial list. Continuing to react to heavy selling in New York, where the selling is under investigation by the American stock exchange, General Development dipped 6¾ points at 46 on a turnover of 13,650 shares. Toronto exchange officials said the stock is not under investigation here.

Among the other industrials changes were in small fractions. International Paper had the best gain, up 4 at 119. Most groups were mixed although refining oils and pipelines were easier.

Western oils were ahead as Hudson's Bay added ½ at 18¼. Among lower priced oils Place gained 10 cents at $1.50.

Geco, down 1 at 21, was the major loser in base metals. International Nickel dipped 12 at 88¾.

In golds Hollinger dipped ¾ at 33½ for the big change.

Utilities Do Best

MONTREAL (CP) — Industrial prices on the Montreal and Canadian stock exchanges closed narrowly lower.

Activity was centered in the utilities, most of which were fractionally higher.

Steinbergs lost 1½ at 30¾ in what market sources called an adjustment. The issue was strong for no apparent reason earlier in the week. Massey gained ¼ at 14.

A closing burst of activity in Orchan and New Formaque pushed volume in the mines and oils over the 1,000,000-share mark for the first time since March 11. Both issues gained, Orchan up 48 cents at 162, and New Formaque up 7 cents at 35. Other speculatives were irregularly lower.

Industrials Gain

VANCOUVER — Except for activity in two low-priced copper stocks, trading was dull, with an upward tendency showing in industrials.

The active coppers were Trojan at 19 cents and Mid-West at 28 cents. Bethlehem was 1.77 and Cowichan 1.08.

Bralorne was 7.50 following announcement of a 10 cents dividend.

Aluminium at $28⅜, Canadian Collieries at $7, Okanagan Helicopters at $4.30 and Midwest Gas at 1.65 were higher among industrials. Woodwards held its big Wednesday gain at $23¼ with the warrants changing at $12. Trans Canada slipped to $28⅝ while Powell River was $39½ and MacMillan $42.

Peace River at 63 cents was firm among oils.
